Coffee Club Party 7 December

Hi everyone,

What a another fun year it has been on the ice! As Christmas is almost here, the CMFSC Committee wish you a safe and happy Christmas and an even better year in 2024.

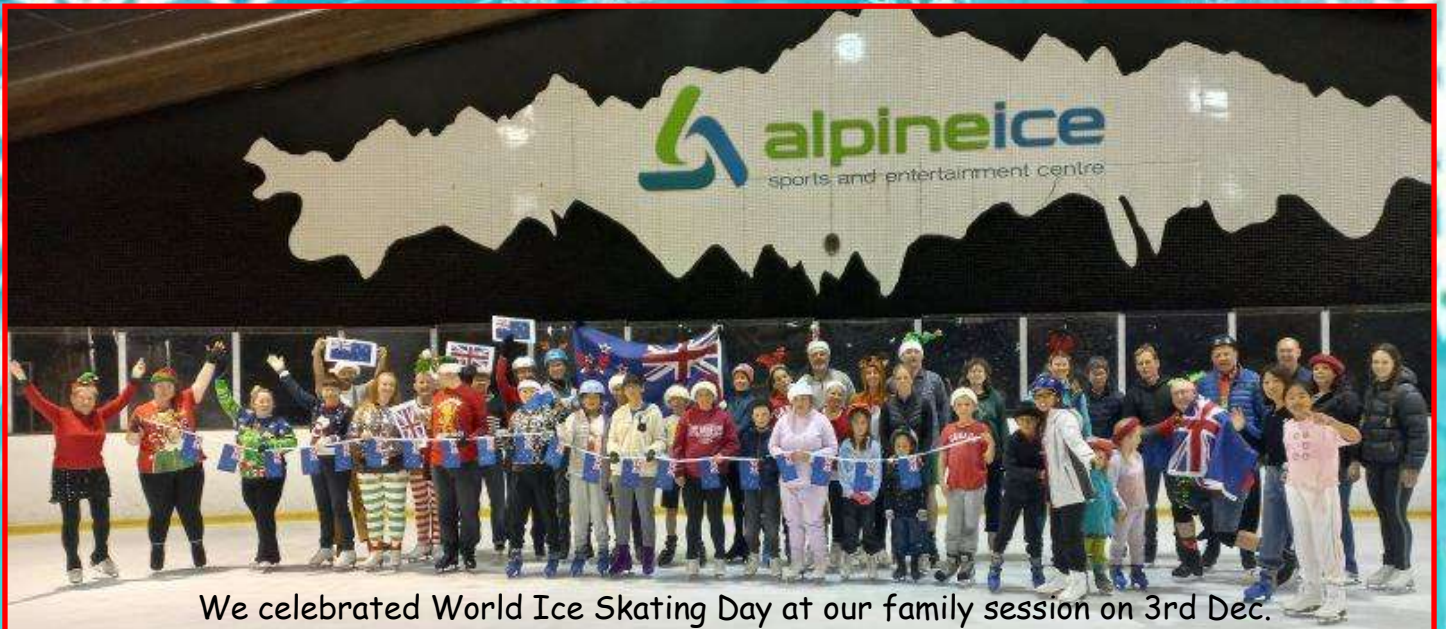

In this special Christmas issue there are lots of photos from our World Ice Skating Day Family session on Dec 3rd, our Coffee Club final party day and 7 December

As usual our two end of year parties are a great excuse for dressing up, enjoying the friendship of our fellow members, doing things on the ice like "Ice Angels" and "team races" and sharing some good food after.

Take care over the holidays. Enjoy your time with family and friends over the Holiday Break. See you on the ice again in 2024!

It's Ho Ho Ho time!

We celebrated World Ice Skating Day at our family session on 3rd Dec.

Congratulations to Kim & Juliam Gormack who celebrated their 25th Wedding Anniversary on 21st November.

Congratulations to Jennie Hood on passing her Elementary Strokling Test on 10 December.
